

Since our weather has been much less than nice, our motorcycles have been lonely. I'm sure everyone is just waiting for the day we all can climb on our two/three wheelers and feel the nice breeze and warm sunshine. It will get here. We just have to be patient. I know that is hard for some.

Our New Year's Day ride to Red Robin was a success. There was 3 trikes in the parking lot. That was awesome. Others came in their car. We had a great turnout of 19 people. Our New Year's Day ride has been a big hit for our chapter. We always have a good turnout. Great food, great conversations and great fun were had by all.

Our monthly chapter meeting was held on the 21st. We had 16 attendees. Bill gave us the safety tip of making sure we get our t-clock checks done before starting the riding season. We had 13 in attendance.

Bill and Margaret won the large 50/50 and Jeff and Louise won the small one.

On another note, I have to mention that my uncle Vinson turned 101 on January 19. He still lives in his own home/house in Wamego. He takes care of the housework, cooking and mowing his lawn. He has a shop in his basement where he works on mowers, weed eaters, vacuum cleaners, etc. Whatever comes across his path. He is amazing. John and I are so proud of him. John and I get up to see him quite often. He is always happy when we bring him food so he doesn't have to cook.
